RE: 2010 NATIONAL MAINLINE PIPELINE NEGOTIATIONS

Dear Sir & Brother:

Please be advised that notice to bargain has been served to the Pipe Line Contractors Association of Canada, advising them that the United Association intends to seek modification and renewal of the above Collective Agreement.

We are anticipating the initial bargaining meeting will take place in March 2010, but as yet, no dates have been confirmed. In preparation, I would request that each Local Union file their suggested amendments for change to this Agreement with this Office **no later than February 19, 2010** in order to allow adequate time to correlate these proposals.

As soon as the meeting dates are confirmed, we will advise you accordingly.

Thanking you in advance for your cooperation. I remain,

Fraternally yours,

John Telford,  
Director of Canadian Affairs, UA
