- 27:2 Should it later be determined that it would be a violation of any legally effective Dominion or Provincial order or statute to comply with any provision or provisions of this Agreement, the parties hereto agree to re-negotiate such provision or provisions of this Agreement for the purpose of making them conform to such Dominion or Provincial order or statute, and other provisions of this Agreement shall not be affected thereby.
- 27:3 In the event it is found that any of the Trust Funds as set forth in Article 6 - Piping Industry Trust Funds, is contrary to law, the parties shall meet and mutually agree as to how these hourly amounts are to be used for the benefit of the members of Local 254, U.A. and for the benefit of the members of the Mechanical Trade Division of the Construction Labour Relations Association of Manitoba. Should the parties be unable to agree upon an Arbitrator, the appointment of same shall be made by the Chief Justice for the Court of Queen's Bench.

ARTICLE 28 - TERM OF AGREEMENT

- 28:1 This Agreement shall be in full force and effect from June 2, 2018 to April 30, 2022, and should either party desire to add to, terminate, or revise this Agreement after the expiry date, then the party must give notice in writing to that effect at least thirty (30) days prior to the expiry date.

- 28:3 It is understood that all such Agreements are subject to all laws, rules or regulations and orders now in force and applicable hereto in the Province of Manitoba.
- 28:4 If the parties have not successfully negotiated a voluntary Collective Agreement by April 30, 2022, the parties will request a 3rd party Mediator to work with them to resolve the issue(s) which have led to the negotiated impasse. The parties will agree on who the mediator shall be, and they shall ask the Mediator to provide them with his recommended settlement of the issue(s) being mediated should the parties be unable to reach a voluntary settlement during the mediation process. Should the parties be unable to agree on who the Mediator shall be by May 15, 2022, the parties will then request the Minister of Labour to appoint the Mediator forthwith. The parties agree to continue the mediation process until either party advises (with four (4) weeks written notice) of their intention to withdraw from the Mediation Process.

The parties agree that, subject to the parties continuing to negotiate in good faith, there shall be a continuation of services to their clients or customers if the current Collective Agreement term expires. All employees shall continue to provide services (new construction & service) and shall receive a minimum adjustment to their base wage rate on May 1, 2022 (the first day after the expired date of the current Collective Agreement) of the percentage change recorded by Statistics Canada for the Manitoba (All Items) Consumer Price Index, March to March.

RE: COMPRESSED WORK WEEK

By mutual agreement between the Union and the Employer, a compressed work week of four - ten (10) hours days, at regular straight time rates, may be established Monday through Friday. A compressed work week schedule can be terminated if notice is given on the last day of the current compressed work week.

Applicable for Zone "B" only, an employee shall receive daily subsistence allowance on the basis of days worked plus one additional day to a maximum of seven (7) days.

If overtime is required on a compressed work week day(s), then meal and breaks as per Article 4:3 will apply with the first overtime meal break commencing at the start of the overtime period.

Should additional day(s) of work be required beyond the scheduled four – ten (10) hour days then subsistence allowance for that week shall be paid on days worked plus one (1) day basis, to a maximum of seven (7) days per week.

In the event that any Holiday specified in Article 5:1 of the Agreement falls during a compressed work week, then such Holiday will be considered a premium time day, and the compressed work week will be reduced accordingly, i.e. 3 - ten (10) hour days. Accordingly, the amount of room and board or "subsistence allowance" will be paid as follows:

- (a) If the Holiday falls on the first or last work day of a compressed work week the employee shall receive room and board or "subsistence allowance" on a days worked plus one (1) additional day basis.

- a) Effective date of signing of this Letter of Understanding, a hiring-hall procedure for new hires of three (3) (Employer name-hires) to one (1) (Union placement off the top of the current out-of-work list) for the first twelve (12) hires and then the parties will continue with a 1:1 ratio going forward per project specific request. The Employer shall have the right to refuse any potential employee referred by the Union as per the principles outlined within 10:2 of the Collective Agreement. It is further agreed that a man may only be transferred to the job in question provided he has been employed for a minimum of two (2) weeks prior to the transfer.
- b) Employer Recall Right: The last Employer shall have the unrestricted right to recall their laid-off employee(s) (whose name appears on the Union's out of work list) for a ten (10) working day period from his date of lay-off. RE: EXPANSION OF UNION PARTNERSHIP MARKET SHARE

The parties to this Collective Agreement agree that the expansion of the current plumbing/fitting market currently enjoyed by our partnership is a fundamental goal that must be acted upon without delay.

The parties agree that in order to expand our joint market share partnership into a market area that we currently have great difficulty securing work in or into market areas that we have not previously attempted to secure work in, a more cooperative effort must be undertaken with respect to amending terms and conditions of our current Collective Agreement (in a specific targeted fashion) to give our partnership the highest opportunity to secure this work.

To that end, the Contractors commit to meeting with Local 254 (either individually or as a Trade Division) to identify these job opportunities as they occur (i.e. well in advance of tendering deadlines) as well as identifying specific terms and conditions that will need to be altered in order for the Contractor to bid the work in question.

Local 254 will have the sole responsibility of establishing the enabling issues it wishes to provide to the Contractor including the securing of available manpower (i.e. through the Local's available membership or permit workers in compliance with the Collective Agreement).

In acceptance of the foregoing, the parties have affixed their signatures this 18 day of June, 2018.
